

Go to [WWW.JMP.COM/STUDENT](http://WWW.JMP.COM/STUDENT). Select “Get JMP for free!”

Select “Get Started at My JMP” on the Instruction Page.

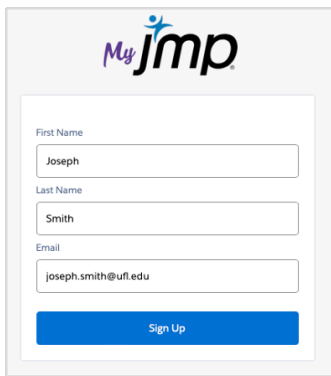

A screenshot of the JMP Student Edition instruction page. The page has a blue header with the text "JMP® Student Edition Help master statistics quickly – and have fun doing it." Below the header, there is a section titled "Follow these four steps to get started with JMP" with four numbered steps: 1. Sign in to My JMP, 2. Tell us about you and your studies, 3. Authenticate, and 4. Download, install, and authorize. At the bottom of the steps, there is a button that says "Get started at My JMP". A disclaimer at the very bottom states: "\*Students, instructors, and academic researchers must be currently enrolled at or employed by a degree-granting institution. Academic research is defined as noncommercial work that will be published in a journal, presented at an academic conference, or shared for the public good."

- 1a. You will be asked to sign-in to your MyJMP account. If you don't have one, select sign-up.

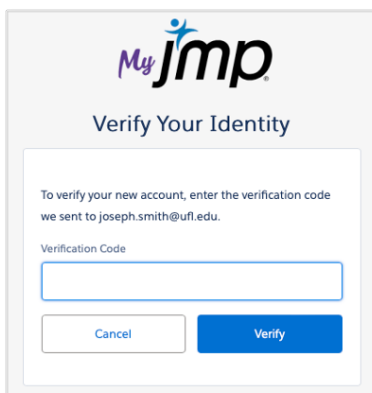

The screenshot shows the MyJMP sign-in interface. At the top is the MyJMP logo. Below it is a white box containing an "Email" label and a text input field. A blue "Sign in" button is positioned below the input field. In the bottom right corner of the white box, there is a small "Sign Up" link.

- 1b. Provide requested information.  
**Note:** You need to use your email address from your academic institution.

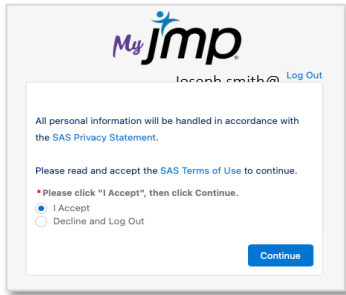

The screenshot shows the MyJMP sign-up form. It features the MyJMP logo at the top. The form consists of three stacked text input fields with labels: "First Name" (containing "Joseph"), "Last Name" (containing "Smith"), and "Email" (containing "joseph.smith@ufl.edu"). A blue "Sign Up" button is located at the bottom of the form.

- 1c. Enter Verification Code sent to your email.

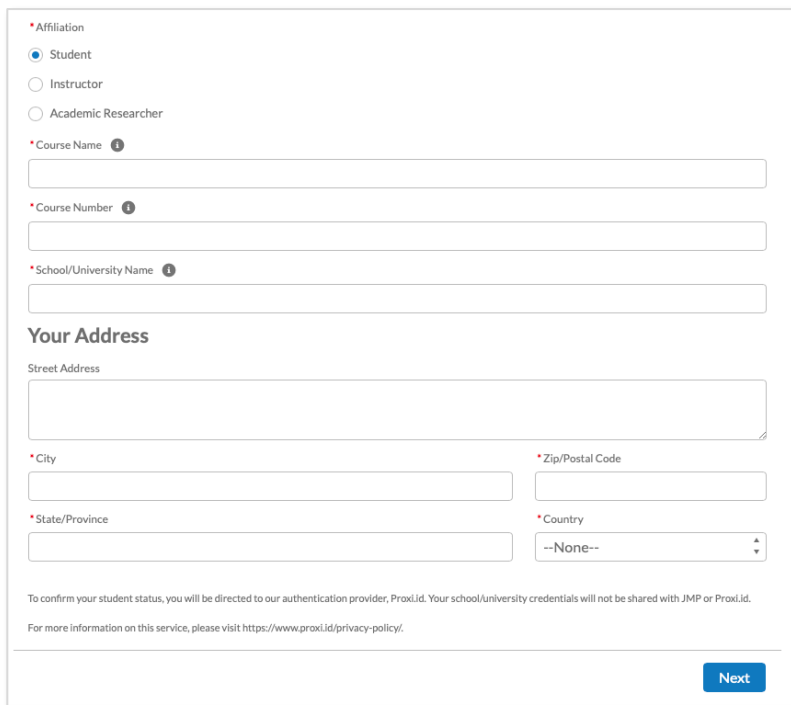

The screenshot shows the MyJMP verification page. At the top is the MyJMP logo, followed by the heading "Verify Your Identity". Below this is a message: "To verify your new account, enter the verification code we sent to joseph.smith@ufl.edu." Underneath is a "Verification Code" label and a text input field. At the bottom are two buttons: a white "Cancel" button and a blue "Verify" button.

1d. Read and Accept Terms of Use (if prompted).

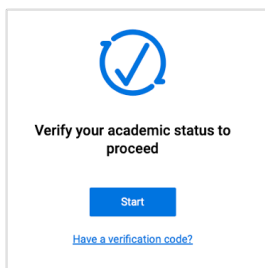

2a. Provide requested information regarding your affiliation with your school.

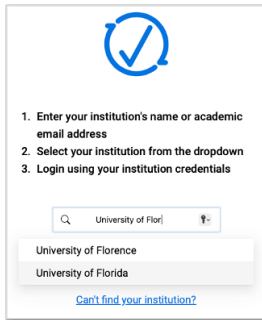

The screenshot shows a form for providing affiliation information. It includes a section for "Affiliation" with radio buttons for "Student" (selected), "Instructor", and "Academic Researcher". Below this are three text input fields for "Course Name", "Course Number", and "School/University Name". A section titled "Your Address" contains a "Street Address" text area, and four smaller input fields for "City", "Zip/Postal Code", "State/Province", and "Country" (with a dropdown menu showing "--None--"). At the bottom, there is a "Next" button and a small disclaimer: "To confirm your student status, you will be directed to our authentication provider, ProxId. Your school/university credentials will not be shared with JMP or ProxId. For more information on this service, please visit https://www.prox.id/privacy-policy/."

2b. Click Start to verify your academic status.

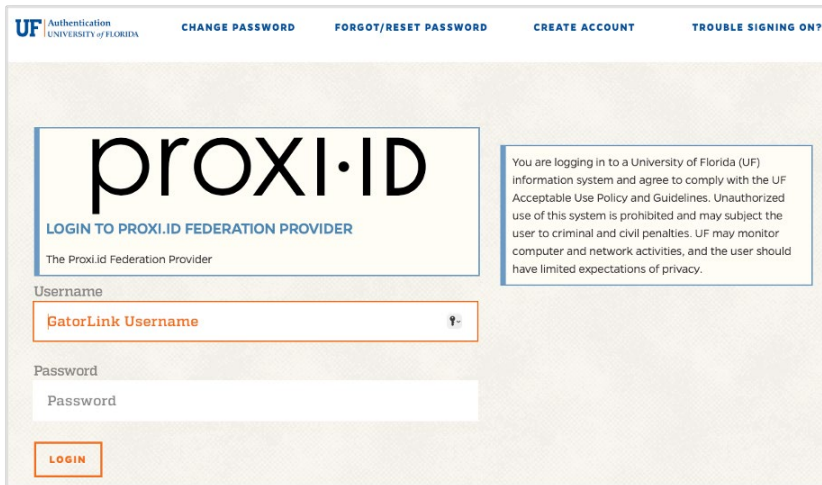

- 2c. Enter the name of your institution and select from the list provided in the dropdown. If your institution is not listed, select can't find my institution. You will be prompted to provide an email address. Use need to your academic email address. A verification code will be sent to your email in that case.

A screenshot of a web form for selecting an institution. At the top is a blue circular icon with a white checkmark. Below it are three numbered instructions: 1. Enter your institution's name or academic email address, 2. Select your institution from the dropdown, and 3. Login using your institution credentials. There is a search input field containing 'University of Flor' with a dropdown menu showing 'University of Florence' and 'University of Florida'. A blue link 'Can't find your institution?' is at the bottom.

- 2d. You'll be sent to your institution's unique login page to verify your affiliation with a school. Login with your username and password for your institution.

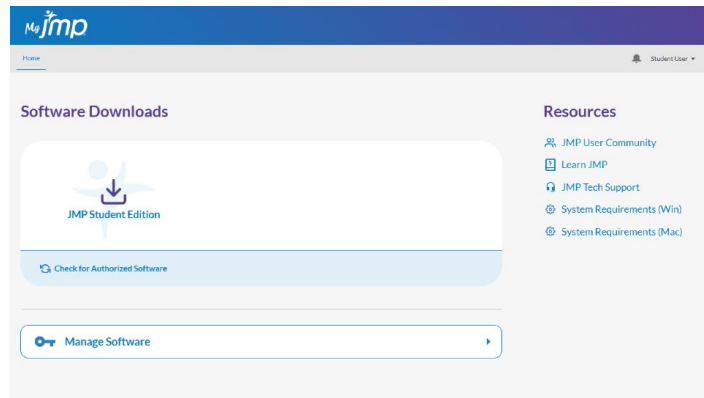

A screenshot of the Proxi-ID login page for the University of Florida. The page has a header with the UF logo and navigation links: CHANGE PASSWORD, FORGOT/RESET PASSWORD, CREATE ACCOUNT, and TROUBLE SIGNING ON?. The main content area features the 'proxi-ID' logo and the text 'LOGIN TO PROXI.ID FEDERATION PROVIDER' and 'The Proxi.Id Federation Provider'. There are two input fields: 'Username' with a placeholder 'GatorLink Username' and 'Password'. A 'LOGIN' button is at the bottom left. A privacy notice box on the right states: 'You are logging in to a University of Florida (UF) information system and agree to comply with the UF Acceptable Use Policy and Guidelines. Unauthorized use of this system is prohibited and may subject the user to criminal and civil penalties. UF may monitor computer and network activities, and the user should have limited expectations of privacy.'

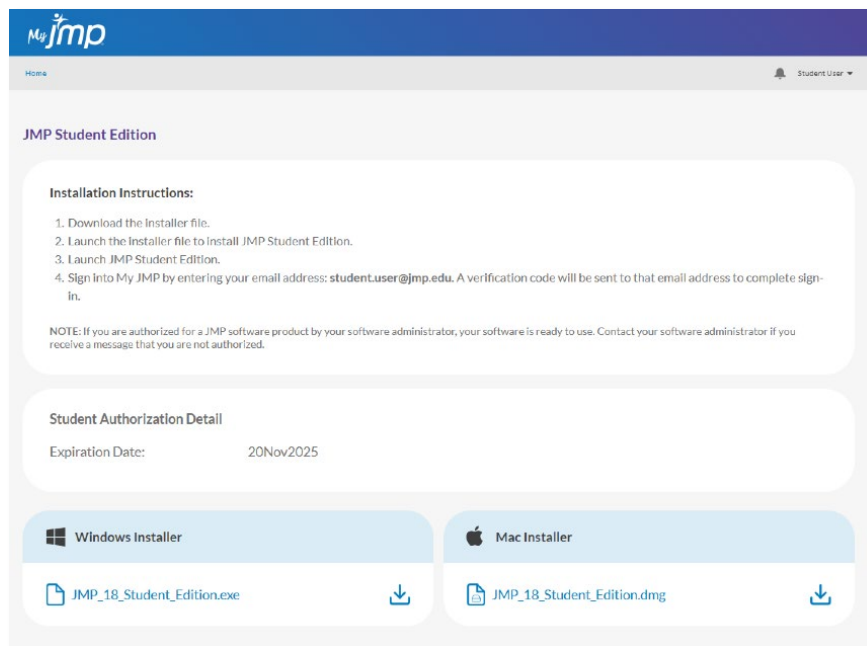

\* You may instead be sent to a sign-in page not associated with your institution to verify you are a student, faculty, or researcher at an academic institution <see step 2d(1) in the Appendix>.

\* If you get a message saying that your request cannot be processed, go to <https://www.jmp.com/review> and complete the form <see step 2d(2) in the Appendix>.

- 3a.** You will be brought to a page showing the available software associated with your MyJMP account. Select the JMP Student Edition icon.  
If you are not brought to this page, log back into your MyJMP account at: <https://my.jmp.com>.

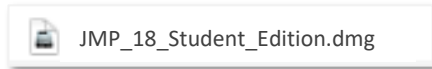

- 3b.** Choose to download version for your Operating System.

- 3c.** Double-click the Installer downloaded onto your computer to launch.
- 3d.** Follow the steps for chosen operating system to install JMP® Student Edition.

## INSTALLING JMP® STUDENT EDITION FOR MAC OPERATING SYSTEM

- MAC 1.** The JMP Installer will be downloaded to your computer. Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

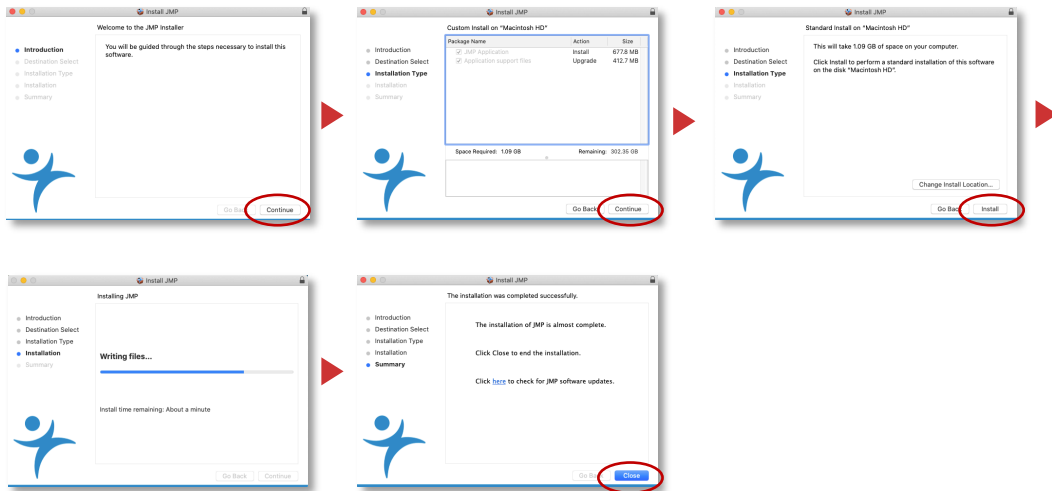

- MAC 2.** Open the JMP Installer by double-clicking on the file.

- MAC 3.** The JMP-Installer window will open. To begin the installation process, double-click on the JMP.pkg file.

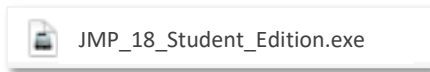

- MAC 4.** Follow the steps to install JMP® Student Edition by selecting Continue, Install, and then Close when completed.

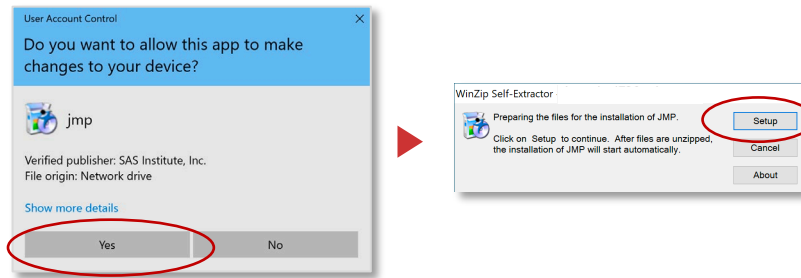

## INSTALLING JMP® STUDENT EDITION FOR WINDOWS OPERATING SYSTEM

- WIN1.** The JMP Installer will be downloaded to your computer.  
Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

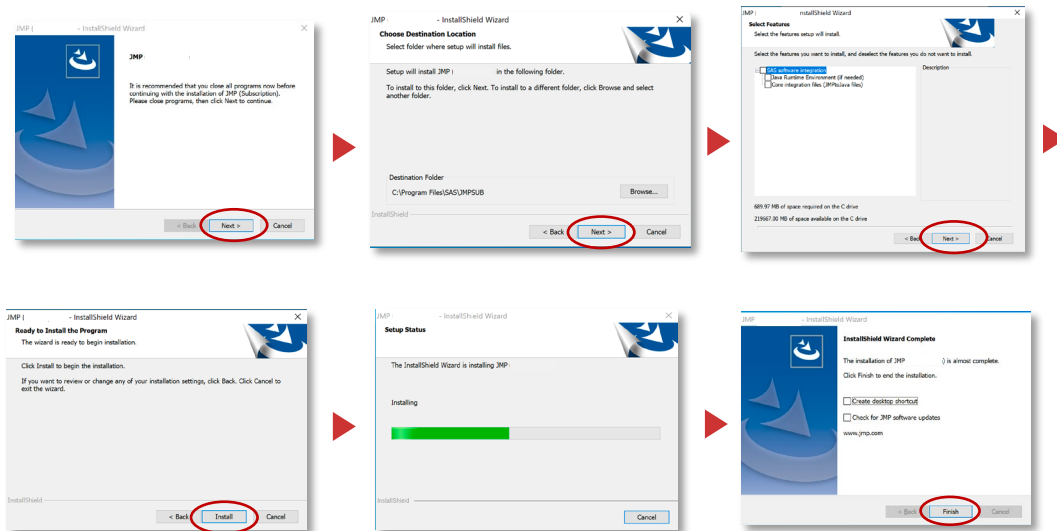

- WIN2.** Open the JMP Installer by double-clicking on the file.

- WIN3.** To begin the installation process, confirm you wish to allow the app to make changes to your device by clicking Yes. Then choose Setup to extract the installation files.

- WIN4.** Follow the steps to install JMP® Student Edition by selecting Next, Install and then Finish when completed.

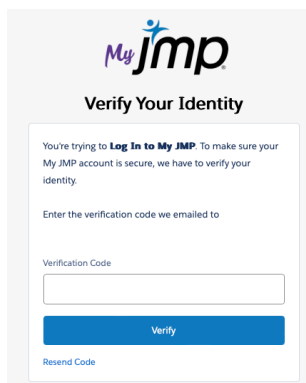

## OPENING JMP® STUDENT EDITION

When you launch JMP Student Edition® for the first time, you'll be prompted to activate by logging into your My JMP account via your email.

A verification Code will be sent to your email. Enter and click Verify.

**JMP provides free resources to help you learn to use the software quickly and efficiently for your class.**

- New to JMP? This seven-minute [quick start video](#) covers the essentials of using JMP.
- How do I perform an analysis for my class? The [Learning Library](#) provides 2-minute videos with step-by-step instruction and corresponding one-page summaries for most of the common analyses in statistics courses.
- Looking for more learning resources? Go to our [student resources page](#) or to [Learn JMP](#) for all other learning materials.
- Have other questions? Head over to the [JMP User Community](#) to interact with other users and find the latest information.

## APPENDIX

**2d(1).** If you were instead sent to a page that is not associated with your institution to verify you are a student, faculty, or researcher at an academic institution, complete the requested information.

### Submit Proof of Eligibility
